FCC warns alleged major amateur offenders

The FCC has issued strong warnings to two amateurs in Indiana and a third in New York who are on the Commission's top ten list of alleged major amateur offenders. The FCC's amateur enforcement point man, Riley Hollingsworth, K4ZDH, says the warning letters sent earlier this month are the last step before the FCC initiates formal enforcement proceedings. One case primarily involved malicious interference on VHF repeaters, while the other two involved interference to an HF net. "We have been cutting bait a while, now it's time for us to fish," said Hollingsworth, the legal advisor for enforcement within the FCC's Compliance and Information Bureau.

The FCC did not make the names or call signs public, but Hollingsworth said all those who received the letters were put on the FCC's Alert List with FCC field offices. "The Alert List is the FCC equivalent of an all-points bulletin," Hollingsworth explained. He said Field Office monitors would be making a special effort to listen for further violations by stations on the Alert List.

Since taking over Amateur Radio enforcement within the CIB last fall, Hollingsworth says he's sent out dozens of warning letters of a much milder nature. "Now, we're distilling that activity to the worst offenders," he said, adding that similar actions were imminent in other major cases.

The PREZ SEZ

Hello Phil-Monsters. Events planned for the upcoming year so far are June Field Day, the August Club Picnic, and in November the club's 50th birthday party. There will be a questionnaire in the Blur about the 50th birthday party, so please fill it out and return it right away.

The club raffle is now in full swing. Steffie, KE3ZY, had the tickets on sale at the club Auction and sales went well. If every member bought at least one ticket it would help support the club picnic. If you would like to take 5 or so tickets to sell to hams at other clubs, etc., please see me and I will be glad to set you up with a book or so of tickets. Tickets are \$10.00 each and there are only 200 available. The radio is one of the new Kenwood 144/440 with the built in APRS software and TNC. Let's all pull together once again on this one and maybe the picnic will be free this year if we sell all 200 tickets! To purchase tickets see Steffie, KE3ZY at the meetings or mail a check made out to P.M.R.C for \$10.00 per ticket with a S.A.S.E. to P.O. Box 88, Abington, PA 19001.

We now have an Assistant Secretary. William, W3RED, has volunteered to help out Art. We all wish Bill a successful term.

The Auction this year was WOW! What a fun time. Even with the poor weather there was a great turnout and almost everything that was there was auctioned off. There were plenty of good deals and lots of fun was had by all who braved the weather. Of course, it could have been the 7 dozen doughnuts that brought all the folks out (there were none left). After all the expenses were paid, the club made \$470.20. If you did not make it this year there is always next year. I would like to thank the following members who performed Auction support duties: Mike, K2BN, Alice, WA2BTB, Ed, KB3IV, Steve, WU3I and Charley, K3CJ.

This month's BIG THANK YOU for working behind the scenes has to go to Gary, N3WPE. For those of you who don't know Gary or what he does for Phil-Mont, Gary makes all the Club Badges, and a fine job he does.

The Pizza party is coming up at the March meeting. More details in next month's Blur. Till next month... 73 de Russ, W3CH

DECEMBER DIRECTORS' MEETING

Carol Sebzda, N3PVO, Secretary

The January Directors' Meeting was opened by Russ (W3CH). The following Officers and Directors were in attendance: Russ (W3CH), Charlie (AA3EP), Mike (K2BN), Carol (N3PVO), Steve (WU3I), Dick (W3RM), Ed (KB3IV), and Gene (N3XKE). The following committees reported.

TREASURER - Mike (K2BN) reported this was the last report for 1998. We had \$36.00 in receipts and spent \$246.00 with a net change in funds of -\$210.00 for the month of December. Although the W3AA fund did end up in the negative, overall the treasury will end up positive for the year.

REFRESHMENTS - Steve (WU3I) reported Bill (W3AOK) would not be available to bring the refreshments for the General Meeting. Charlie (AA3EP) accepted the duty.

AUCTION - Final plans and arrangements for the auction were discussed.

W3AA - Discussions were held on the future of W3AA.

MEMBERSHIP - Russ (W3CH) reported we had 2 applicants to vote on for membership, Bob Duran (N3ZRR) and Peter Grace (KB3DFQ). A motion was made and approved to accept the applicants into membership. Welcome to Phil-Mont. Bob and Peter.

OLD BUSINESS - Dick (W3RM) brought up the status of the 501 (3C) filling. After a discussion, it was agreed by the Board, to make the necessary changes in the Club By-law's, amend the Club's Article of Incorporation and file the application papers.

NEW BUSINESS - Jim (W3BBB) is soliciting ideas for the Club's 50th Anniversary which will occur November 1999. A questionnaire will be included in your Blurb. A decision will be made upon review of the questionnaires. Jim (W3BBB) also reported Chris (N3IEI) has agreed to help assist in making a new documentary on the repeater. Russ (W3CH) reported he had received email from Art (N3LCV) stating he would not be able to fulfill the duties of Club Secretary, therefore we need to find someone to take his place.

With no further business to discuss the meeting was closed at 10:00 p.m. by Russ (W3CH). Thanks to Jim (W3BBB) and Elaine for hosting the meeting.

Please contact Jen Seva Kutch at 448-2195 by no later than Wednesday of the date you wish to attend. The requested hours are 7-10, but you may spend more time if you wish.

We still have a great station here and would like to see as many of you as possible visiting. This is a good time as it is not to nice outside to spend time there.

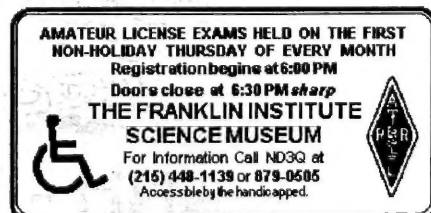

The Auction was great and I was happy to see all of you there. I just wish the weather were better.

Congratulations to Rollie! He just had successful surgery on both eyes two weeks in a row and is doing well. He did not miss a day in between with Surgery on Tuesday's.

Dean, N3TAL, is home from the Hospital and recuperating and will probably miss some weeks.

That's all from here.

Phil-Mont Members Violate FCC Rules

You know that old saying, "people who live in glass houses shouldn't throw stones?" The following violations by Phil-Monters have been noted on 147.03.

1. Failing to ID after 10 minutes and at the end of a conversation.
 2. Totally unidentified transmissions like keying to change the Voice ID to CW. Although the above, in most cases, are harmless, not IDing is a big thing with the FCC. Remember, any time you transmit anything, including kerchunking the repeater, you must ID that transmitter within 10 minutes of a key up. The FCC has stepped up its enforcement of the rules and is now atarting to do a fine job. Don't get tagged over something as simple as not IDing.

Thank You Phil-Mont

Hello Mike (K2BN):

I wish to extend my sincere "Mahalo!" to the members of the Philmont Mobile Radio Club for allowing me to continue receiving the Blurb & also for extending me the courtesy of membership (Ed: Subscription)

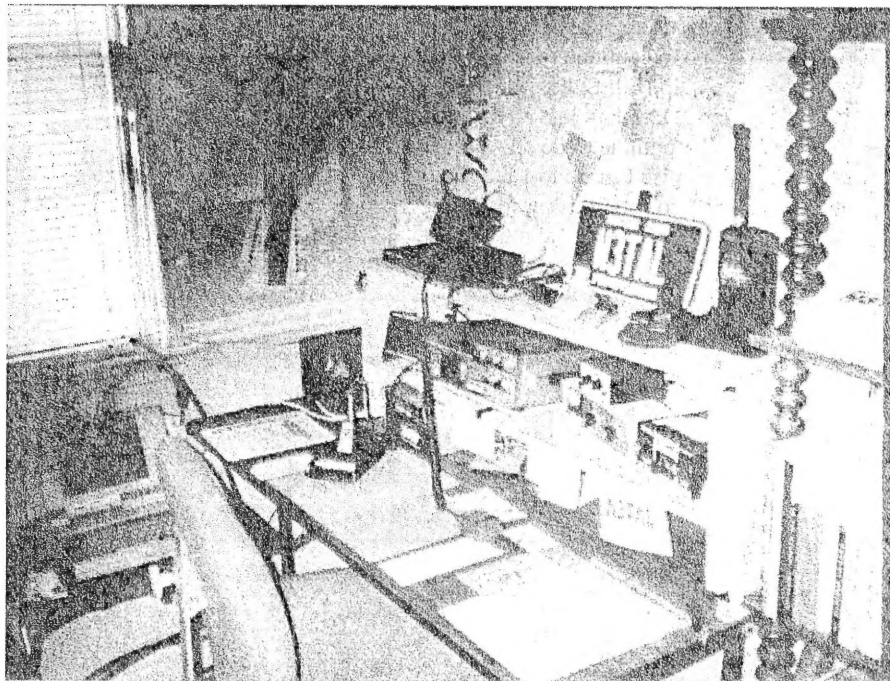

I am enclosing two (2) checks - just as Butch always did; one for 99 dues & one for the W3AA Fund. I will continue to do so - with your permission, for as long as I am able, in keeping of the promise I made to Butch!

Again - "thank you!" so very much .. for all the joy, the pride & the feeling of accomplishment that Butch experienced through his association with Philmont. God Bless!!!

Respectfully,
 Edward Miller

Show and Tell

This is the Shack of N3TAL. It is a beginner's first attempt. It was done on a limited budget with almost all material purchased used.

The HF rig is a Kenwood TS-430S with the PS-30 power supply. It runs into an Inverted V Trap Dipole at about 50 feet. I use a Dentron Junior Antenna tuner and Heathkit Reflected Power Meter. An MFJ Econo Keyer II and a Vibroplex key complete the HF package.

For VHF I have a 25 watt Icom IC-27A Mobile Radio. It goes into a Ringo Ranger at 35 feet. My TNC is a Kantronics KPC-3 and I use a 386 laptop for packet. I have a Kenwood TH-215A Ht that I use in my car. I'm still looking for a 2 meter mobile mount for the car.

As soon as I upgrade from a Tech Plus I will get into SSTV.

(This is the first in a series of descriptions of the Shacks of members of Phil-Mont. Be proud of your shack send in a photo and description to the editor. If you don't have a photo call and we will help you out.)

FCC Issues 5 MHz Experimental License to ARRL

The FCC has issued an Experimental Radio Service license to the ARRL to permit two-way tests in the vicinity of 5 MHz, the most likely site of the next amateur HF band. The license, bearing the call sign WA2XSY, was issued January 8. A group of 15 current amateurs in various parts of the US and the Caribbean will conduct experimental, two-way RTTY and SSB transmissions within the band 5.100 to 5.450 MHz. To avoid interfering with existing services, the participants will confine their operations to the least-populated 50-kHz segment.

"The idea is to show that an amateur allocation there will improve our emergency communication capabilities by filling the gap between the 3.5 and 7.0 MHz bands," said ARRL Executive Vice President David Sumner, K1ZZ. Sumner pointed out that several of the participants are phone net members in the Caribbean and Gulf area who frequently handle hurricane-related traffic and now must alternate between 75 meters and 40 meters.

(From ARRL Members Web site)

Santa Caterina, by a group of Scouts from Paraiyba. Activity will be CW and SSB on all bands. QSL via PR7RT.

BOSNIA AND HERZEGOVINA, T9. Edin, T97M, is very active using the digital modes RTTY, Amtor and Pactor. QSL via K2PF.

AUSTRALIA, VK. Look for stations AX1TX and AX4EJ to be QRV January 26 to celebrate Australia Day. QSL AX1TX via K1WY and AX4EJ via VK4EJ.

ANGUILLA, VP2E. Bill, W5SJ, is QRV until February 1 as VP2ESJ using CW and SSB. He expects to be active in the CQ 160-Meter CW Contest. QSL to home call. CHAGOS ISLANDS, VQ9. Ron, AA5DX will sign VQ9DX from Diego Garcia beginning around January 25 for 4 months. QSL to home call. Pres, N6SS, is QRV as VQ9SS on 160 meters between 1335 and 1515z. QSL to home call. Ω
